

## Automated SFSP Training for Sponsors

Brighton's Training & Tracking System delivers online SFSP training courses through a portal branded for your organization. The training system provides testing, tracking and comprehensive reporting.

- ✓ Save money having all staff complete required online courses. No in-person trainings necessary.
- ✓ Retrain staff when problems are detected.
- ✓ Increase compliance with state processes and procedures.

## Courses by Leading Experts

- ✓ Brighton's team has over 100 combined years experience in SFSP & CACFP

## Convenient and Flexible

- ✓ Users can access the courses online, 24/7 and 365 days a year
- ✓ The training runs on PCs, mobile phones and tablets

## Highly Interactive

- ✓ Engaging delivery enhances retention

## Course Materials

- ✓ Each course includes printable job aides and workbooks

## Testing

- ✓ Users must score an 80% or higher on all quizzes in order to generate their Certificate of Completion

## Curriculum Customization

- ✓ Brighton organizes the trainings to your specific needs

## Site Administration

- ✓ Ability to generate powerful user status reports
- ✓ Assign position specific training to staff

## Branding

- ✓ Your organization's logo will be displayed on the homepage

## Support

- ✓ Customer and Technical Support is available to help your team with implementation
